Is there a process for pre-qualifying potential sub-contractors with DBE qualifications, for use on an as-needed basis?

Answer:

NO, firms cannot be added on an as-needed basis. Only firms listed on the SOQ will be allowed to work on the contract. Only firms listed as a DBE in the SOQ and certified as a DBE can work on the contract as a DBE firm and be counted towards the contract DBE goal.

Will the prime be able to utilize various subs as needed or do they need to be presented as part of the original team?

The prime cannot use subs that are not presented as part of the original team specified in the SOQ. The contract includes a substitution clause in case a particular sub can no longer perform its duties.
